- ✝ Bethany Loberg as she leads another delegation in Central America.
- ✝ The Ontario government as it considers revisions to its outdated Mining Act. First Nations are concerned that the revisions do not adequately consider aboriginal and treaty rights, the duty to consult, and advance consent.
- ✝ Bethel College's commencement speaker, Mark McCormick, and pray for God's blessing on those graduating from Bethel College today, as well as their families, friends and other members of the college community. Also, thank God for the students who graduated yesterday from AMBS, and pray that God will guide and sustain them as they continue in ministry or seek a ministry placement.
