- ✝ Kristina Trčka as she recuperates from foot surgery.
- ✝ Arlene Hershberger, living in Greencroft Gables, room 505, for a few weeks, as she recovers from knee replacement surgery.
- ✝ New students as they adjust to academic and social life at Hesston College. Ask God to help sophomore resident assistants to be caring, sensitive, and firm as they relate to students in their mod (section of a dormitory). May each campus activity be Christ-centered, whether it's chapel or social event.
- ✝ The Lindell Detweiler family, who have been experiencing health problems for several years due to the high levels of air pollution in Pietermaritzburg, South Africa. Pray that they may find a new home in Pietermaritzburg with less pollution, yet permitting ready access to schools and ministry sites.
